

Minutes of the meeting held on 21/11/2019

Entrepreneurship Club meeting was held on 21/11/2019 under the Chairpersonship of Principal. At the outset Chair welcomed all the participants and brief about the importance of Entrepreneurship. The list of participants is attached at Annexure.

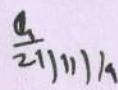

In the meeting various issues related to Entrepreneurship were discussed and following decision were taken:

1. All the members of EC were agreed to conduct the awareness program in collaboration with DIC, MSME, KVIC for all the final year students so that they can be motivated to become a entrepreneur.
2. The innovation centre and incubation centre established in the institute be make more functional by deputing one clerk to support ATPOs to keep various information/literature/schemes related to entrepreneurships for the students and maintain the same during the institute hours so that the students may visit the centre and collect information.
3. Awareness program for startups India and Smart India Hackathon may also be taken up in collaboration with HARTRON, Gurugram and IIT Delhi.
4. In the meeting it was decided to identify the Alumini so that hand holding could be explored for the students for promotion of entrepreneurship.
5. The success stories be shared with the students for motivation and enthusiastic participation.
6. It was decided in the meeting all the ATPOs in coordination with their respective HODs will propose date and time to invite experts of various fields for the exposour of startup and Hackathon once or twice in a month. The SCA period be utilized for the purpose and the schedule be prepared for complete session.
7. Keeping in view the availability of students of 5th semester Ceramic Engg the entrepreneurship program may be conducted during the 1st week of December for 2-3 days in the institute. The session may be kept open for all the students of final year to learn the concepts of entrepreneurship.

The meeting ended with vote of thanks to the chair.
